Dear Lindsey,

In the September 2016 issue, M.A. from Kentucky listed his favorite models of 2016 so far, and you asked what other readers thought the top girls were. Well, it was difficult decision for me since all of the girls are way above a perfect 10! After careful consideration, here is my list: Number two is Beccar from February.

Next are Lily Ivy, Anni, Kerri Hope Davenport (BARELY LEGAL Confession), and Lily Rader from March. An honorable mention goes to Fawna Latrisch from April. (I will never tire of her face, or anything else.)

My next picks are Sophia Leone from May, and Mia Love and Liza Rowe from June.

Finally, my all-time favorite girl is Alex Grey from May. Keep up the great work, and I will keep it up, too.

F.H. New York

Lindsey,

To answer your question of who some of our top girls of the year are thus far:

First, I'd like to tip my hat to Alex Grey, from the May issue. She has such a tight and petite body, it's crazy. Also, she rocks the waxed vacing look better than most

Secondly, I will say Kasey Warner from the June issue. I love her smile and big brown eyes. I also feel that she puts a naughty twist on the classic girl-next-door look. Also, some of her poses appeared to require some degree of coordination.

Next, even though she is a repeat, I must say Nici, also from the June issue. (June was a really great issue!) She might be one of the greatest BARELY LEGAL gifts of all time. Her skin tone, playful yet sensual eyes, and approachable aura make her irresistible. Any man would be lucky to have her.

Lastly is Katy Kiss from the Anniversary issue. Her mile-long legs, wavy red hair, and cold blue eyes are enough to steal a kiss from nearly anyone.

Tennessee

F.H. and Jason, thank you! I just love seeing the variety of girls you picked. Your lists are almost completely different except, of course, for Alex Grey. Some lucky girls look cute to every single guy on the planet!

And now I have another question: Who are your favorite girls from 2016—the whole year? I would love to hear from all you guys out there!

—Lindsey

Dear Lindsey,

Over the years I've been more attracted to you than many of the girls in BARELY LEGAL. I was delighted that in your January 2015 issue you did a special classic layout of your January 2015 issue you did a special classic layout of your beautiful note body, plus your wide-open pussy. I would like to see another layout with you masturbating with a large dildo. What chance do I have to see this desire fulfilled???

Cute coed Kendall from Cincinnati, Ohio, is "a bit of a tease," likes to bite during sex, and is a big fan of horse racing and boxing. This "book nerd" is also a very sexy writer-so we're going to let her tell her fantasy: "I'm working on boxing techniques with a more experienced fighter. At first I work slowly to make certain my technique is solid. But as I become more confident in my combinations. I start hitting harder and faster. He catches my punches easily in his gloves, and we constantly circle each other, working on movement in addition to the combos. The space between us decreases, and I'm throwing quick 5-6-3 and 6-5-4 combos. That's what I like," he says after each accurate combination. That's just how i like it.' I move forward into his space, walking him backward. I try to force him into the corner and push my body up against his, but he cuts the angle and is behind me. Immediately I turn and face him, but he already has me pinned in the corner. He tosses his mitts out of the ring. He puts one hand against my throat and guides himself inside me with the other. I am still wearing my boxing gloves as he fucks me." Kendall, you're a knockout! -photos by friend

Tia: And I love acting like a guy. I'm surprised you don't use a toy, so you can fuck Astrid. Tia: Pfft, I have my fingers.

Are fingers ever really as good as a cock?

Tia: They are when you can dig deep and curl them up to hit the spot.

Astrid: One time Tia hit my spot and the people down the road thought I was a covote.

Tia: That's why sex outdoors is so awesome. You can be as loud as you want!

BARELY LEGAL confession by isabella azarola

PHOTOGRAPHY BY CLASSY CONTENT

'm different, i know but I like It. All the other people in my school have spent the past three and a half years trying to be popular. That's the last thing I want to bel Because that would mean I was predictable, boring-just a copy of everybody else.

Still, no one wants to die a virgin. Halfway through senior year I started to worry that might be my fate. I had to find some little way to compromise. Be "normal."

Okay obviously you can see that I am hairy-not just my pussy, but under my arms. My people are from Spain. We think hair is beautiful. But I'm an American oirl now and American girls-and boys, let's not forget the important partl-prefer pussies to be smooth and bald.

I knew I could never rip my own pussy hair out, so I asked Danielle to come over and do the dirty work. She's my best friend even though she is actually kind of popular. thanks to her long blond hair and big boobies. And of course her waxed cooch.

Danielle was so happy.

"No!"

"Finally!" she cheered. "Welcome to the 21st century!" She hummed as she lathered up my bush. "I can't wait to see what's under there," she joked.

She held up a razor with three blades (Not joking around!) The cold metal touched the skin just above my hush

I slapped the razor away. I just couldn't go through with it. And then, I'm embarrassed to say, I broke down in tears.

"No one is ever going to want my pussyl" I wept. "Well, yeah, if you insist on being a hippie," Danielle

I tried to laugh too, but I couldn't stop crying. Danielle put her arm around me. It felt very warm. "Aw, I'm sorry."

"Is it really so bad to have a bush?" i asked, putting my head on her shoulder.

"Maybe not," she said. "Let's try something."

She took me by the arms and laid me on my back.

"You be you, and i'll be a boy confronted for the first time by your big hairy snatch."

She wiped away the shaving cream and fluffed up my pussy hair

"Ooh, it's soft," she said.

I sniffed, "i know."

Danielle caressed my cooch. It made me tingle, which was strange. I have never had lesbian inclinations "I wonder..." she said. She leaned down. "How hard would

it be to fight through that jungle of pubes?" I squirmed. Danielle's mouth was getting very closa to

She parted my lips. "The hair doesn't really get in the way at all does it?" Her mouth came closer

"You don't have to..."

Her tongue touched my clit. The tingling Immediately spread through my whole body-down my legs, to my curling toes-up my tummy, over my tits, making goose bumps along the way-finally up my throat and out my mouth.

"Unh, unh, unh!"

It was the most excruciating, amazing feeling, I wound my fingers in Danielie's hair and grabbed hold. I wanted to keep her head down there, between my leas, licking my pussy forever.

But she wanted to make me come. She licked harder and faster, and added a finger to my hole, sliding it in and out as she lapped and nibbied.

I jerked my hips, so close to coming. My Insides turned upside-down. One last jerk...

"Yowch!" Danielle howled, "You almost vanked my hair

"Sorry." I just lay there, my body melting into the bed, my brain melting out my ears. "Well. anyway." she said, "I think some guys might be okay

with your hairy pussy. You just have to find the right guy." That was It-the right quy. Someone shy. Desperate. A virgin! And I knew just where to go to find him.

The next day after school, I went straight to the music room. Sure enough, it was full of them-marching band boys, Girls, too, but I wasn't here to lez out again,

i put my plan Into action. "Hi, I'm Isabella," I said, "I was thinking I would like to learn how to play an instrument. Do you guys have any sugges-

They all froze, mouths open-except for one brownhaired boy with bangs. He shook spit out the end of his trumpet and came over to me. He was about my height, and he was wearing a suit and tie. To schooli

"I'm Andrew," he said. He stared at my mouth. "You have great lips."

Ew. what a creeper! Not the right guy. "With those lips, you could have the perfect embouchure

for flute." Or maybe he was

tions?*

"I was really thinking of like, the piano or the guitar." I said. "Do i have good hands?" I shoved them in his face. He took one and examined it.

"You have nice long fingers," he said, "I could teach you quitar if you want, That's actually my first instrument." We headed over to Andrew's house for my first lesson.

He led me to his bedroom.

"No one will bother us here." he said. The walls of his room were plastered with posters of the

Beatles and other bands I had never heard of: the Zombies. the Kinks, the Hollies.

"Are these all old bands like the Beatles?" I asked.

"They're all classic bands like the Beatles," he said, "This is the kind of music I piay in my real band. I'm only in marching band for school credit."

i remembered something! "My grandmother saw the Beatles." I said. "In Spain, in 1965. She never stops talking about it." Andrew's eyes popped, "You're kiddingi" he said, "I would love to meet her!"

An 18-year-old boy who wants to meet my grandmother? Now I was positive-Andrew was a virgin like me! Perfect! But I had to proceed carefully-be somewhat aggressive, but not scare him off.

"Let me see your hands," I coped, I took one, placed it on my boob, and smiled at him encouragingly.

The next thing I knew, my top was over my head and he had a titty in each hand.

"You're so hot!" he said. He squeezed my tits and jammed his tongue into my mouth.

Oh. nol Andrew wasn't a shy band geek at all!

He released one boob and slid his hand down my tummy to my crotch, yanking my jeans open with one pull. I panicked. "Wait, wait!" I said. "I have to tell you something." I sighed. "I'm a virgin,"

"Cool! i am, too," he said, "Let's remedy that," My heart jumped. There was still hope.

"I also..." i pulled my jeans and panties down. "...don't shave." "Very cool!"

Andrew dove in and clamped his mouth around my cooch. He liked my hairy pussy! My insides flooded as he sucked. I hated to make him stop-but I had to.

i pulled his head up. His lips were shiny with girl juice.

"I love that, really," I said, "But I need your cock RIGHT NOW," Andrew did not mind. He pulled his dick out, I didn't know for sure, but it looked big to me-and so hard.

He spit on his hands and pulled on his cock until it was slick. It made my cooch buzz just to watch him. That was going to be inside mel

I spread my lips. "i'm ready," I said. Andrew slowly slid his dick into my pussy and

...I was not ready. How can you be ready for the most incred-

ible feeling you will ever experience in your entire life?

Andrew's cock reached deep inside me, sliding in and out, caressing me. I wrapped my arms and legs around him. As we moved in sync. I felt like we were one person-me and this guy I hardly knew. I had tried so hard to lose my virginity, and I didn't even know how special it would bei

Now I felt bad about using Andrew. But i don't think he knew he was being used. Or would have cared.

"You're hotter than any porn girl," he gasped as he pounded me. "I fucking love your little tits. I love your hairy pussy." I pulled Andrew in tighter and ground my pussy into him.

With one last thrust, he dug in and touched a spot deep inside me. My insides spun and filled up with his cum. We lay there panting with our arms around each other.

"We're doing that again, right?" Andrew asked.

"Oh. ves!" I said. "You're the coolest."

He drifted off

No, Andrew was the coolest-to me. I learned something important that day. You don't have to change to find someone. You just have to find someone as weird as youl *

RICHELLE RYDER

clothing optional

t's me, your friendly neighborhood Abby the intern. Pretty college freshman Richelle is studying fashion design—which is ironic, since she looks so awesome without clothes!

Hey, Richellel How would you describe yourself?
As a creative, hard-working, serious but fun person.

What do you do for fun?

I love to reed. Right now I'm making my way through all of Shakespeare's plays.

That does sound fun. What made you start modeling? It helps with my designing. I learn how clothes feel, not just how they look.

What have you learned about clothes from nude modeling?

I've learned never to put a million tiny buttons on a shirt!

Is it true that you've done a little pom?
Yes. I thought it would be fun to try. I actually lost my

lesbian virginity in my very first scene.

Who to?

Ashley Adams [BARELY LEGAL July 2016]. She's so

hot.

Mmm-hmm. What was your favorite scene that you

shot?
It was with three other girls. Yummy pussy everywhere! I loved it.

Why did you stop doing porn?
It was too much fun.:) I really need to focus on school.

Do you have any time for sex in your personal life?

Of course! I had sex last night.

How was it? Well, I can walk today—but barely.:)

So, you like it rough?

I like a little hair pulling and a lot of pussy pounding.

Did you suck his cock?

A few times.

Did you come?

I came when he fucked me from behind while I rubbed my clit.

Where did he come?

On my face. You're so nosy, Abby! :)
Okay, a non-nosy question: What's your ultimate goal

In life?

To someday show a collection at Paris Fashion Week.

Do you think it will happen?

My motto is "And though she be but little, she is flerce." I will make it happen.:) *

Your pussy doesn't get too sore?

I like for him to come inside me, in my pussy or asshole, it feels so nice.

What's the best way for you to come?
